

BLUE DOG FAMILY FARM

2018 Summer CSA Membership Agreement

Welcome to our CSA! We are so glad you will be joining us for the season, and we look forward to seeing you weekly!

CSA members join with their farmer in both the risks (crop failure, poor weather) and benefits of farming (a bountiful harvest season, cooking recommendations, direct relationship with the farmer, the ability to visit the farm). Your share will vary from week to week, generally consisting of many different seasonal vegetables, and there is no guarantee of the exact amount or contents of each share. The shares will vary in weight, size, and vegetables throughout the season.

If you need to miss a week of pickup, please feel free to send a friend to pick up your share, or we will be happy to extend members' shares in the fall to accommodate.

By participating in this CSA, you are bringing healthy, locally grown food to your home, supporting sustainable agriculture, and supporting the development of sustainable local food systems, as well as a family farm.
